

liaison committee

At our facilities in **Devonport, Plymouth, and Baldovie, Dundee**, we have established liaison committees to facilitate clear and transparent communication.

As well as inviting local residents to join, we also encourage engagement from local council(s), the Environment Agency and other relevant bodies; this ensures that the relevant expertise is available for meaningful discussion.

get involved

Please use the 'General comments' box on the feedback form to tell us what topics you would like to discuss, where you would prefer to meet and how often.

We will use this consultation period to gather responses and feedback from as many people as possible; once we have reviewed the feedback, we will be in touch with everyone who has expressed an interest in joining the liaison committee.

How to join?

Once formed, the Committee will meet on a regular basis to discuss issues arising, forthcoming events on site and any community benefits.

If you are interested in joining, please feel free to speak to our staff at an exhibition. Alternatively, you can contact us by phone, email or via our website.

Please use the 'sign up' button on our website to express an interest in joining the committee.

6. Community benefits

We are proud to be part of the community in which we operate. On other projects, we have provided a number of community benefits to local residents and we are keen to understand which benefits you think would be most useful for your area. Please tick or add to the list below the benefits that you think are most important to you.

<input type="checkbox"/> Employment of local people	<input type="checkbox"/> Skills development for staff and the wider community
<input type="checkbox"/> Use of local suppliers	<input type="checkbox"/> Support for local businesses
<input type="checkbox"/> Employment of local people	<input type="checkbox"/> Support for local businesses
<input type="checkbox"/> Training and skills for the wider community	<input type="checkbox"/> A local business
<input type="checkbox"/> Support for local businesses	<input type="checkbox"/> Biodiversity and ecological enhancement
<input type="checkbox"/> Support for local businesses	<input type="checkbox"/> Waste resources

7. General comments

We are keen to hear any other thoughts or ideas that you might have about the proposed development or the consultation itself as the quality of the site is important to us. Please fill in about these in the box below.

8. Keeping you informed

Please tick or add to the list below the ways you would like to be kept informed about the proposed development.

<input type="checkbox"/> By post	<input type="checkbox"/> Email
<input type="checkbox"/> At a public meeting	<input type="checkbox"/> Text
<input type="checkbox"/> Website	<input type="checkbox"/> Do not interested

Medworth CHP Limited invites you to take part in their statutory consultation, which is a legal requirement of the Development Consent Order. We recognise the importance of working with the local community to understand the issues that are important to you.

Please take time to fill in this feedback form, your views will help us to understand the issues that are important to you.

You will receive a copy of the proposed development and a copy of the Development Consent Order. We will also be in touch with you to discuss the proposed development and the Development Consent Order.

Please tick or add to the list below the ways you would like to be kept informed about the proposed development.

Please be advised that we will use the contact details you have provided to keep you informed about the proposed development.

*Please note that we may have a statutory requirement to notify you about proposed Medworth CHP facility in the future. Any statutory notification will be sent to you by post.

This form is for use by the public. It is not to be used for internal purposes.
