

traffic and transport

A **Construction Traffic Management Plan** will be developed and implemented to minimise the impact of construction materials and workforce travelling to and from the construction site

This document will be available:

- ✓ in draft at the Document Inspection Locations
- ✓ online: mvv-medworthchp.co.uk
- ✓ at our consultation events

Waste will be delivered in a range of vehicles, including **dustcarts (RCVs)** and **articulated HGVs**.

RCVs carry approximately **8 tonnes** of waste

Articulated HGVs carry approximately **23 tonnes** of waste

Waste deliveries will **only** be **between 07:00 and 20:00**

The traffic and transport assessments consider a range of potential impacts including delays, amenity and safety on a number of groups, including:

People at home
People at work

Pedestrians
Cyclists

Sensitive groups including children, elderly and disabled

Open spaces, recreational areas and shopping areas

Sensitive locations such as hospitals, churches, schools and historic buildings

Sites of ecological and nature conservation value

Sites of tourist/visitor attractions
