

# Medworth EfW CHP facility

## NON STATUTORY PUBLIC CONSULTATION feedback form

# get in touch

MVV invite you to take part in a **non-statutory** public consultation. Whilst this is not required by law, we recognise the importance of **local people** and their knowledge to any new project and aim to develop a **two-way dialogue** with as wide a range of stakeholders as possible; we want to understand **the issues that are important to you**.

If you have any further thoughts on the project which we should consider as we develop our proposal, please complete the consultation form below.

*\*Any personal data received as part of the consultation or as part of the consultation process will be stored and protected as set out in the General Data Protection Regulation. No personal details will be used or published in any materials produced in support of the project.*

<b>Title</b>	<b>First name</b>	<b>Surname</b>
<input type="text"/>	<input type="text"/>	<input type="text"/>
<b>Email address</b>		<b>Age</b>
<input type="text"/>		<input type="text"/>
<b>House name or number</b>	<b>Street name</b>	<b>Town or city</b>
<input type="text"/>	<input type="text"/>	<input type="text"/>
<b>County</b>	<b>Postcode</b>	
<input type="text"/>	<input type="text"/>	

Are you responding on behalf of an organisation?

Yes     No

If so, which organisation?

We are committed to honest, open and effective **two-way engagement** and welcome your views and feedback.

Our proposals are in their very early stages and we are keen to understand your thoughts on the following aspects of the scheme as they evolve:

## 1. Design

Managing and **minimising the effects** of our proposals on the local landscape and views is an important consideration as we develop the project. This can be done in a number of ways, such as through the **building design and colour, landscaping and the materials we use**.

Please tell us **your thoughts** on how we can help to help minimise and manage our effect on the landscape and views.

### Your message

A large rectangular area with a black border, containing horizontal dotted lines for writing.

### 3. Community

We are committed to **playing an active role** in supporting and engaging our local communities and being a good neighbour. Do you have any suggestions on how we can do this in and around Wisbech?

**Please tell us about any local projects and/or groups that we could work with and support.**

### Next steps

All responses received during this consultation will be carefully considered and where appropriate taken into account as we develop our proposals.

We will return for a second stage of consultation with more detail on our proposals, having had regard to your feedback and following ongoing assessments and technical work.

We will continue to engage with local residents, community groups and planning authorities throughout the process.

I agree to my data being processed for the purpose of informing the Medworth Energy from Waste Combined Heat and Power facility project consultation.

*Any personal data received as part of the consultation or as part of the consultation process will be stored and protected as set out in the General Data Protection Regulation. No personal details will be used or published in any materials produced in support of the project.*
