

dealing with waste today for a **better tomorrow**

We would like to invite you to attend our public consultation events on the **Medworth Energy from Waste Combined Heat and Power facility project**.

Discover how to get involved and where you can find out more.

Venue-specific risk assessments and precautions will be in place at all exhibition and document inspection venues, in line with prevailing government guidance.

we welcome
your **feedback**

These events are part of our non-statutory consultation, which are formally being held between the 18th September and 29th October 2020.

Find out more about how to feedback, event details and further information on the project by visiting our website:

www.mvv-medworthchp.co.uk
